Summary

Sigmatech, Inc. is an awardee of the Human Capital and Training Solutions (HCaTS) indefinite-delivery, indefinite quantity (IDIQ) contract in both Unrestricted Pool 1 Customized Training Solutions and Unrestricted Pool 2 Customized Human Capital and Performance Management.

HCaTS is the result of a partnership between the General Services Administration (GSA) and the Office of Personnel Management (OPM) and is jointly managed by GSA and OPM. HCaTS allows vendors to provide customized training and development, human capital strategy, and organizational performance improvement services to all federal agencies.

HCaTS is organized into three Key Service Areas:

1) Customized Training and Development Services
2) Customized Human Capital Strategy Services
3) Customized Organizational Performance Improvement
